

Nacharam East - <10 Floor Solar Prospects

Low-rise apartment prospects with no obvious rooftop PV arrays in the satellite scan.

Recommended field route

Concrete Opus -> Sri Tirumala Millennium Phase 2 -> Shanti Gardens Block E -> Navya Global -> NS Platinum

<10 floors

Medium

Concrete Opus Apartments

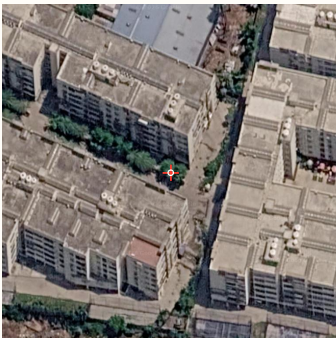

17.4301484, 78.5538058

~5-7 floors

~100-160 units, visual estimate

Main blocks appear low/mid-rise with open concrete roof areas. No obvious PV grid on the target roof; verify boundary because nearby roofs show panel-like structures.

<10 floors

Medium

Sri Tirumala Millennium Phase 2

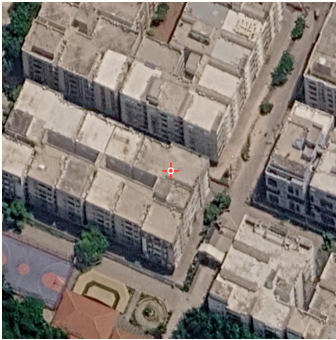

17.4370167, 78.5699369

~5-7 floors

Large phase, unit count needs confirmation

Large low-rise campus. Rooftop water tanks are visible, but no obvious PV panel grid was seen in the crop.

<10 floors

Medium

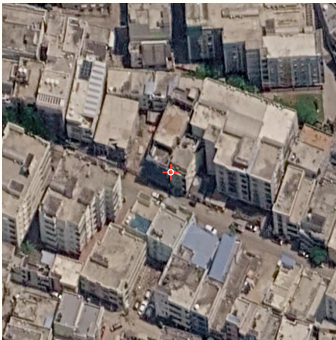

Shanti Gardens Block E

17.4251239, 78.5519081

~5-6 floors

~80-150 units, visual estimate

Low-rise blocks with simple roof surfaces and no clear PV arrays in the target mosaic.

[Open in Google Maps](#)

<10 floors

Low-medium

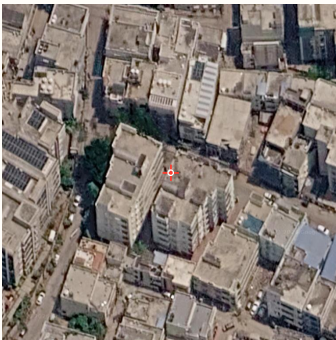

Navya Global Apartments

17.4283708, 78.5542484

~5-7 floors

~40-80 units, visual estimate

Smaller low-rise target. Use as a nearby add-on rather than first meeting unless contact details are easy to obtain.

<10 floors

Low-medium

NS Platinum Apartments

17.4283602, 78.5537998

~5-7 floors

~60-100 units, visual estimate

Target roof looks low-rise and mostly open, but adjacent roofs show panel-like grids. Confirm exact society boundary before outreach.
